House Points

1st place—Tiger
2nd place—Panther
3rd place—Lion
4th place—Jaguar

Well done to all the children who received a house point this week.

SS Patrick and Thomas classes will join the parishioners for Mass at St Thomas More at 9:30 on Tuesday. Parents are welcome to join their children's class.

St Francis class will lead the assembly next Friday.

Pupil Chaplaincy Team

We now have a group of children who wish to take a more active role in the prayer life of the school.

They have started to look at the Tuesday Gospel with Mr Croft and reflect on the meaning of this before sharing it with classes prior to them going to Mass. They have led prayers in Key Stage assemblies this week and begun to think about preparation for Lent.

Thank you to our volunteers for the new Pupil chaplaincy Team: Runo, Jane, Judd, Catherine, Charlie B, Caoimhe, Heather, Lara and Jack G

The children were keen to introduce a thought for the week for children and their families. Thought for the week from Caoimhe:

"Young people, enjoy your youth. Be happy while you are still young" Ecclesiastes 11:9-10

Attendance and punctuality

Well done to St Francis and Our Lady's who have been the best classes for attendance and punctuality in the school this week.

A particular well done to our Nursery children who are regularly the best class for attendance and punctuality. It is great that they are in such good habits at the beginning of their school life. Let's see if other classes can match their record!

A gentle reminder from Mrs Squire

If your child is going to be absent please call school before 8:30 (a message can be left) and upon their return to school, please send a note explaining absence.

Homework Survey

I am really keen to seek your views on homework but have only received 170 responses so far. Please take a few minutes to complete the survey. In order to get a complete picture, please can each family complete one survey for each of their children as parents often have different views depending on the age of the child. Please follow the link to complete the survey.

The survey will close at midnight on Sunday night —can we get another 265 responses by then? Thank you

PE Kits

Please ensure your child has a plain green sweatshirt and jogging bottoms for PE. The children still do outdoor PE in this cold weather, unless the playground is slippery, and can get very cold if they are just wearing shorts. Some classes change for an afternoon PE lesson before lunch so that they get a full hour of PE and no time is wasted and this makes it more important that children are dressed appropriately for the weather. Please remember to send socks in your child's PE bag if they normally wear tights.

Lost property

George's new black coat has gone missing, if you see it, please return it to him.

Please make sure you name gloves, hats and scarves clearly as the tubs of lost property keep getting filled up!

Healthy Eating

Yancy Janssen, the Southwark School Nurse for Healthy Lifestyles, visited St Anthony's on Wednesday to talk to the children about eating a healthy and balanced diet. She told children there should be a "rainbow" of colours on their plate. Children have been encouraged this week to eat more vegetables. Please take time to talk to your children about this message and look at the link together.

Scooter Training

Reception have started some training learning how to stop, start and brake safely on their scooters.

If anyone has a scooter that their child has grown out of and they would be happy to donate it to the school, please drop it into Mrs Meaden or Miss Martlew.

Have a lovely weekend. Mrs Day
