Curriculum overviews

Curriculum overviews were sent out this week which will also be available on the website under the curriculum tab. I hope you find this new initiative in 2017 a useful way of knowing more about the things your children will be learning at school and the broad range of subjects and themes your children learn about.

Remember to sign up for Parents' Evening on 8th and 9th March if you haven't done so already.

Attendance and punctuality

Well done to St Francis class who have been the best class for attendance and punctuality in the school this week.

Book Week

Next Tuesday and Wednesday morning, parents and carers are invited into the hall before school to share books with each other.

Thursday is World Book Day when children are invited to dress up as a character from a book. Anyone that needs any ideas or help, please don't hesitate to ask a member of staff for some inspiration.

Staff will also be doing pop-up story telling sessions for the children during playtime and lunchtime on Thursday.

On Friday, the school will be writing a whole school story together. Each class will also be doing a shared write which will be led by the magazine team and will be published later this term.

Congratulations to Sophia (St Francis) on the birth of her sister, Eleanor.

Welcome to Tyreese who joined St Anthony's this week in St Agnes class.
