Lunches

We are very fortunate to have a varied menu which is on a three week cycle. Parents can view the menu the school website:

<http://www.stanthonysprimary.co.uk/index.php/lunch-menu>

There is also the option of signing up for a free parent login account which enables you to download and keep copies of printable menus to discuss or help make meal choices with your child. Access full details of recipe methods and ingredient lists so you can try your child's favourite school meal!

Meet and Mingle

Thank you to all the parents who came to the Meet and Mingle last Friday. It was lovely to see so many of you.

SS Peter and Clare classes will join the parishioners for Mass at St Thomas More at 9:30 on Tuesday. Parents are welcome to join their children's class.

St Paul's class will lead the assembly next Friday.

Uniform

Please remember, all jumpers (and indeed all school wear) must be clearly marked with your child's name. Not only does this make it easier for children to retrieve lost clothing, it helps any mislaid clothing find its way back to the rightful owner.

Mathletics

We have signed up all the KS2 children for Mathletics again this year. This gives them full access to activities aligned with the National Curriculum. Mathletics has the ability to engage children with its interactive tutorials, games and the famous 'Live Mathletics'; where children can challenge classmates and other children from across the world to mental mathematical races.

Points are collected and certificates are awarded each week.

Will you earn your first bronze certificate this week?

Will your help your class to be the top scorers or will you be at the top of your class?

Keep an eye on the screen by the offices as weekly reports will be posted.

If you don't have your login details yet, please ask your teacher.

Let the fun and games begin!

Attendance and punctuality

Well done to St George's who have been the best class for attendance and punctuality in the school this week.

Parking

I would like to remind all parents that nobody is permitted to stop on the yellow zig-zags outside the school gates, either to park or to quickly drop off a child. The same goes for the junction of Friern Road/Etherow Street and Etherow Street/Norcroft Gardens.

Special Educational Needs

As many of you know, Mrs Macdonald has been off from school for a while, however, I am pleased to inform you that Mrs Shotton will be starting next week to cover Mrs Macdonald's absence.

Thank you, to the parents of children with additional needs, for your level of understanding in Mrs Macdonald's absence. Mrs Shotton is very experienced and I am confident that she will get to grips with things quickly.

Scooters

There are a number of scooters which were left at school over the summer holidays and are now parked by the side of the house. If one belongs to you, please make sure you collect it, however, if your child has grown out of it, please let me know as I am happy to pass it on to the Reception classes.

Well done to these children for keeping the school values - CARE

Consideration, Achievement, Respect, Effort

Birthdays

Any family who would like to celebrate their child's birthday with the class are invited to give a book for the class reading corner. This book will have a bookplate inserted with your child's name.

Please do not send in sweets, cakes, party bags etc.

Hairstyles

A reminder that all children must have long hair tied back with green, yellow or black hair accessories. Hair that is at that "in between length" should be kept off the face with a slide or hair band. Any shaved hairstyles should be all of the same length and not include patterns or Mohicans.

Absence

Please remember that if your child is away from school for any reason, you must contact the school office (in person, by phone, by email) on the first morning by 9am. You must also send in a letter once your child returns to school.

Voluntary Help

We would really appreciate any parent or grandparent who would like to help in school for a morning or afternoon each week. This may be to support children in reading or playing a simple word or maths game. Any volunteer would need to have a police check (DBS) and would not be placed in their child's year group. If you would like to volunteer, please speak to Mr Croft.
