

Minutes of School Council Meeting

Friday 14th October 2016

Present: School Council and this week's Play Leaders, Mrs MacDonald

- Mrs MacDonald suggested a separate meeting for Play Leaders and School Council. A time for Play Leaders to meet will be arranged. Only School Council should come to meetings on Fridays after assembly from now on.
- Play leaders should change every week
- There is still a concern that play equipment is not being used properly. Children agreed that they are all responsible for reminding each other to treat equipment with respect. If children don't stop, they should then speak to an adult.
- We discussed how children should be nominated for the Golden Table at lunch time. Suggestions included those who have received Headteacher awards that week, staff nominating children and names drawn out of a jar, class points, play leaders/ school councillors nominating children for good behaviour (in class and particularly at play/ lunchtimes).
An overwhelming majority of children decided that staff nominations, with names drawn out of a jar for good behaviour was the best option (e.g a jar of good choices). Teachers should pick one name out of the jar from Years 1-6 on Fridays and send the children straight to lunch at 12.30. We would like to start this the first Friday after half term.
